

Weekly Scrum Report Checkpoint B

Team 2

Name: Shang Lyu

- What have I worked on?

This week we focus on finishing the rough draft of the final report. I tried different analysis methods on the Garmin data, and tried to answer the questions after filling in the datasets with Garmin. My responsibility for the final draft is writing the introduction part.

- What will I be working on next?

I will find ways to improve analysis of the Garmin data.

- Have I run into any issues? Do I need help?

Nothing confusing now.

Name: Navya Jain

- What have I worked on?

I worked on the draft for the final report. I also worked on the finishing touches of the project.

- What will I be working on next?

I will work on the final draft and changes.

- Have I run into any issues? Do I need help?

No, not yet.

- Team Lead - Did I speak to the client this week? When are we meeting next?

I spoke to the client previously and will now be meeting soon for the final presentation.

Name: Dhun Jitendrakumar Jayswal

- What have I worked on?

This week I worked on creating a draft for the final report and performed information and data visualization and also worked on garmin data. My responsibility was to write hypothesis analysis and answer key questions.

- What will I be working on next?

Will work on Garmin data and visualization.

- Have I run into any issues? Do I need help?

No not yet.

Name: Jeya Varshini Bharath

- What have I worked on?

I worked on creating the rough draft of the report for checkpoint B. I also had tried different methods to combine the Garmin data the past week.

- What will I be working on next?

Refine the report and add more code to the repository what I worked on the past week. Refine it a bit.

- Have I run into any issues? Do I need help?

No issues.
